Retreat details

Location and area

Aldinga Beach is located on the southern fringe of Adelaide, just under a one hour drive (46km) south east of the city on the Southern Express Way. The area forms the gateway to the stunning Fleurieu Peninsula and is a short drive into the McLaren Vale wine region.

Wild cliff scenery and a long, pristine stretch of sand are the hallmarks of Silver Sands Beach. The beach itself is one of the few beaches in Australia where cars are permitted to drive on parts of the broad sand, making it easier to view and explore the water and surf.

Casuarina Cottage is situated one block from the Esplanade surrounded by the bush of the adjacent Aldinga Scrub Conservation Park. Take a walk along the boardwalk to the lookout or lose yourself within the Conservation Park area.

Accommodation

Casuarina Cottage can accommodate up to six guests. It has a queen bedroom, a twin room with two single beds and a third bedroom with a set of double bunks. There are two bathrooms, one with laundry facilities. The kitchen and two living areas complete this cosy and peaceful cottage.

Casuarina Cottage is available between May and November.
